Re: Patent Application No 09/776,498 Response to Notice of Noncompliance,
Marked Application, and History of Changes in Patent Claim : FOLLOW-UP

To the U.S. Patent and Trademark Office,

In response to the notice of noncompliance that was mailed on September 28, 2004, I mailed on October 19, 2004 (1) a complying and marked copy of the Patent Application No 09/776,498, (2) a history of change in the patent claims, and (3) a clean copy of the Patent Application that reflects the changes made.

Although the post office has confirmed delivery on October 22, 2004, the documents do not yet show up on the PAIR database. If the documents I sent do not show up in another week, I will inquire further. In the meantime, I was lead to understand when I called the Patent Office that sometimes it takes a while to get the "documents scanned". I believe that the documents I sent were filed on time and correctly, but that they have not been processed yet.

If there are any problems, if you have not received the papers, or you have any questions please email me at johnmjensen@earthlink.net or call me at 213-383-4380.

Thank You,

John Jensen
